Dear Mr. Gilbert:

Re: Bond Release Map, Vernal Phosphate Operations, ACT/047/007,
Uintah County, Utah

Enclosed is a copy of the map showing areas of bond release at the Vernal Phosphate operations in 1983, as further discussed in the Division's November 1, 1983 letter. I have outlined the areas that were released in red. I apologize for the poor quality of the map; the copy in our files was poor to begin with. Please contact me if I can provide further information.

Sincerely,

Susan C. Linner
